

## **Folk/jazz at St Marys Church, Throwleigh**

In 2014, the Friends of Throwleigh Church invited Belshazzars Feast to give a fantastic concert in the church, that was a sell-out. Paul Hutchinson was so impressed with the acoustics that he has asked to come back and play here again this year. Paul's mastery of the piano accordion is second to none, and his musical lateral thinking and playing combined with his renowned sense of humour is quite unique.

This time Paul is bringing Karen Wimhurst, a highly skilled clarinettist, and the two of them are currently touring as "Pagoda Project". The music has been written and arranged by the duo and is difficult to describe in words, but includes English folk-jazz-classical themes with even a touch of Balkan-style klezmer included to confuse the definition! You can hear some examples of the music on their website <http://www.pagodaproject.co.uk> but for the full repartee and entertainment you must come to their concert on **Saturday 24<sup>th</sup> June at 7.30pm at St Marys Church, Throwleigh.**

Tickets are just £10 (including the usual interval refreshments) from Dave Hatton tel. 01647 231051 or Penny Perkins tel. 01647 231494 or email [pagoda@dhatton.plus.com](mailto:pagoda@dhatton.plus.com) for more details.
